

Dear Valued Patients

American Health Chiropractic will remain open during the COVID19 outbreak. Please rest assured we are taking all necessary precautions to ensure the health and safety of staff and patients, including, but not limited to, continuing to thoroughly sanitize and clean equipment after each visit.

Please continue to practice social distancing while in our office and please leave at least 6 ft between yourself and others. To minimize time spent in the waiting area, we will be scheduling accordingly to make social distancing possible.

We have hand sanitizer accessible for patients and employees.

If you are elderly or have underlying health conditions, please call the office and we will arrange a separate appointment for you.

If you are sick, running a fever or showing symptoms of COVID19, please return to your car and call the office at 513-576-6699.

We will keep our answering machine up to date if any changes are made to our hours of operation.

Thank you for your understanding and we will be back to normal operations soon.
